OPEN YOUR ACCOUNT

Congratulations! You've taken an important first step in securing your financial future.

To open a MyStockFund brokerage account, you'll need to complete, sign and send us two forms: the New Account Form, including the ACH agreement, and a Substitute W-9. We'll walk you through step-by-step. The entire process should take less than ten minutes.

No printer? That's OK. Just complete the forms as instructed. At the end of each form, click the "Print for Me" button. A MyStockFund representative will print the forms and mail them back to you for your signature.

Before you get started...
Take a minute to [print this checklist](#). You'll have a guide to the forms you need to complete and a list of information you may want to have before you begin.
